PLAN YEAR 2008

April 30, 2008

Participating Providers and Facilities are independent contractors solely responsible for any liabilities, professional or otherwise. As with any directory, frequent changes occur. St Rose is not responsible for inadvertent errors or omissions, and no assurance can be given as to complete accuracy

WELCOME

St. Rose Dominican Hospital's goal is to provide you with a list of Providers in the least restrictive and most convenient setting as possible. Welcome to the St. Rose Point of Service (POS), Tier 1 Provider listing.

Please read your materials carefully in your health benefit packet or by obtaining copies of material from the Human Resources office. It is important that you are aware of the requirements of our plan regarding referrals and Prior Notification, as well as the limitations of your coverage.

Here are a few tips to help you make your visit to the providers a smoother process.

- Use the Providers from this directory and review your plan materials regarding Prior Notification.
- When visiting a physician, always carry your insurance card and present it to the receptionist.
- Be prepared to pay your co-pay at the time of your visit.
- If you are unable to visit a physician during normal working hours, visit an Urgent Care listed in this directory, it is generally more cost effective than using an Emergency Room.
- This directory lists the names and addresses of all specially contracted Plan Providers, St. Rose Hospital, laboratories and radiology, and other support services.

Changes to information contained in this directory may occur because of provider additions, address changes or changes in practice arrangements. Always confirm the Plan Provider's status before receiving services. This can be done when you schedule your appointments.

Your medical insurance is handled through this TPA:
